About Aidoc

Aidoc develops AI solutions that support radiologist decisions - helping them prioritize life threatening cases and expedite patient care

How to bridge the gap?

Challenges for radiologists are increasing

What solution can solve this?

Accurate

Comprehensive

Workflow
Integrated

Aidoc in action

AI analyzes
every exam

Detects findings
across the body

Highlights abnormal
areas for the
radiologist

Aidoc's AI workflow assistant

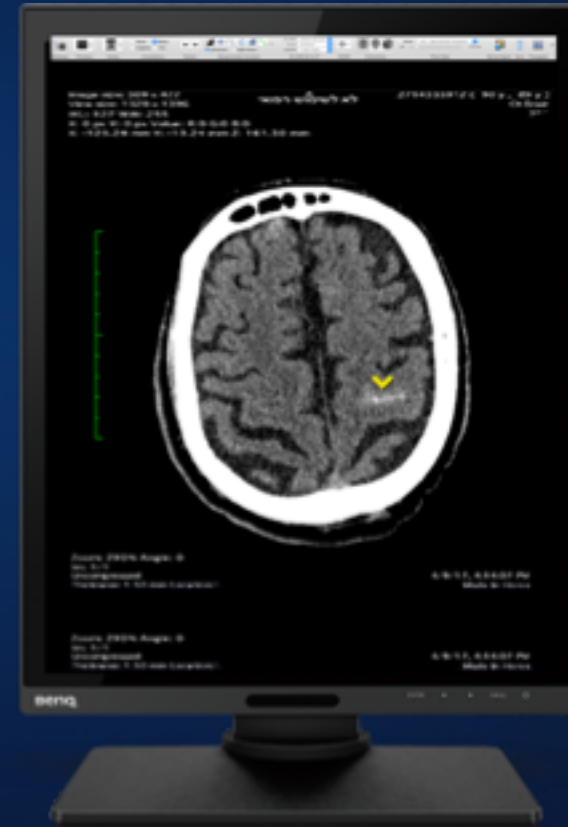

Aidoc worklist assist Prioritize

The image shows a computer monitor displaying a table of patient studies. The table has five columns: STAT, Patient Name, Patient ID, Procedure, and Study Time. Several rows are highlighted with an orange circle icon, indicating priority. The table data is as follows:

| STAT | Patient Name | Patient ID | Procedure | Study Time |
|------|------------------|------------|----------------|---------------------|
| STAT | Matthews, Gordon | 81128770 | Head | 8:57am (12 min ago) |
| STAT | Allen, Michael | 40265187 | Cervical-spine | 8:46am (23 min ago) |
| STAT | Rice, Michelle | 12859436 | Head | 8:39am (30 min ago) |
| STAT | May, Zach | 11235880 | Chest | 8:02am (67 min ago) |
| STAT | Johnson, Rick | 81944887 | Head | 7:55am (74 min ago) |
| | Doe, Susan | 95810835 | Head | 8:28am (41 min ago) |
| | Mingus, Phil | 62009448 | Pelvis | 8:22am (47 min ago) |
| | Ringer, Guy | 41087026 | Head | 7:40am (89 min ago) |
| | Valentine, Tom | 41895880 | Chest | 6:39am (2 hr ago) |
| | Garcia, Howard | 54132180 | Abdomen | 5:49am (3 hr ago) |
| | Gordon, Jessica | 95717546 | Cervical-spine | 5:49am (3 hr ago) |
| | Wallace, Allen | 32108497 | Head | 2:31am (6 hr ago) |
| | West, Sandy | 10981334 | Abdomen | 2:35am (6 hr ago) |
| | Dyer, John | 20555825 | Chest | 1:03am (8 hr ago) |
