Start-up Chile, the business accelerator of the Innovation and Economic Development Agency (CORFO), launched a Call for Applications to the Seed Program. The Seed Program aims to accelerate early stage entrepreneurs in a 6-month program that have a functional product. In this edition, the Seed Program will have a particular focus on technologies that address the Covid-19 pandemic.

As part of the Seed Program, selected entrepreneurs will receive equity free CLP \$25MM fund. Entrepreneurs that are not Chilean citizens will be granted a one-year working visa, free coworking space, and a full soft-landing process.
