

**Initiative featured at the RIAC's
Report developed to support
countries' efforts to mitigate
Covid-19's impact**

Online Platform to Connect Tech Companies with Clients

Colombian Federation of Software and IT Industries – FEDESOFIT

Colombian Innovation Agency – iNNpulsa

Colombia

Source: Ximena Duque, CEO, Fedesoft (ACE Leader)

Fedesoft and iNNpulsa Colombia developed an online platform called “Es Ahora Colombia”. The platform gathers Colombian and international tech companies that offer free technological products, services, and solutions to help mitigate the economic and social impacts of the Covid-19's pandemic

Photos: Fedesoft, 2020

The platform will serve as a hub of free solutions on matters like health, telecommute, basic products and services, and information technologies.

Additional information
