Covid-19 Impact Assessment and Summary of Economic Plan Proposed by the Government of Costa Rica

Distance State University - UNED

Costa Rica

Source: Velia Govaere, Coordinator of the Observatory of Foreign Trade, UNED (ACE Leader)

The Observatory of Foreign Trade of UNED compiled valuable information about Covid-19 and provided an insightful assessment of the health, social, and economic impact of the pandemic in Costa Rica.

The information included in the link (<https://bit.ly/2Vmygls>) provides a comprehensive background of the developments of Covid-19 worldwide to deliver a detailed analysis of the pandemic's impact on Costa Rica's foreign trade. The document further analyzed certain sectors of Costa Rica's economy, such as exports and tourism.

The article also offers several economic strategies to mitigate the impact of covid-19 regarding employment protection measures, credit access and relief, tax exemptions, among others.
