Fundesa is committed help strengthen Guatemala's Public Health System. As part of these efforts, Fundesa is raising funds and receiving donations to acquire Covid-19 diagnostic test, which will be delivered to the Ministry of Public Health and Social Assistance.

Based on advice from health experts and the U.S. Centers for Disease Control and Prevention (CDC), Fundesa will use the funds to purchase M nCOV tests and is aiming to raise enough to acquire at least 20,000 diagnostic tests.

Fundesa has raised funds to purchase 6,000 tests, which were already delivered to the Government of Guatemala. Currently, Fundesa is preparing a second order of 10,000 tests.
